INSTRUCTIONS FOR JOINING VIDEO CONFERENCING

The High Court for the State of Telangana issued circular instructions vide ROC.No. 394/SO/2020, dated 27.03.2020, in which the Advocates/Parties-in-person were instructed to install "Zoom Cloud meetings app" for the purpose of video conferencing, however, for security reasons, the High Court has decided to use "**Cisco Webex Meetings**" software instead of Zoom Cloud meetings app. Hence, the Advocates/Parties-in-person are requested to make note of this change and follow

the below mentioned instructions with respect to conduct of Video Conferencing through Cisco Webex meetings app.

The matters shall be heard by the Hon'ble Bench through web-based video-conferencing system on the Cisco Webex platform. It may be further noted that smooth functioning of the video-conference is squarely dependent upon and subject to the **connectivity [signal-strength/bandwidth]** available at the end of the remote user(s), and hence it is expected that any party joining a video-conference hearing shall ensure robust connectivity and bandwidth are available at their end – in this regard, Advocates/Parties-in-person may use broadband connection of minimum 2 mbps/dedicated 4G data connection, and may also ensure that no other device or application is connected to or using the bandwidth when the hearing by video-conferencing is progressing on their Webex enabled computer (preferable) or mobile.

- b. To join video conferencing Advocates/Parties-in-person are required to open the website <https://www.Webex.co.in/products/web-conferencing/mobile.html> on their laptop or desktop on any compatible operating system as mentioned in the screenshot below.

3. Upon being joined to the Virtual Court room, arguing counsel shall introduce himself/herself to the Hon'ble Bench and thereafter, shall wait for the instructions from the Hon'ble Bench – on being asked, party may make submissions and on completion of the submissions, shall at one **'mute'** the MIC of the respective device, if the Hon'ble Bench requires the party to make further submission(s), the party may then **'unmute'** the MIC of the device and again, on completion of the submission, put the MIC on **'mute'** mode;

4. It is important for Advocates/Parties-in-person to remember to keep their MIC on **'mute'** at all times, except when the Hon'ble Bench requires them to make submission(s); thus, when one party is making submissions, it is imperative that all other participants shall keep their respective MIC **muted**, failing which the possibility of MIC catching audio feed from the speakers and

creating 'echo/noise disturbance' would become very high and may disturb the video-conference. It is to inform that Advocates/Parties-in-person shall join the virtual court room only from one device as joining the virtual court room from two or more devices from one location will cause echo and create disturbance in the room.

5. It may be noted that simultaneous submissions by more than one party at any given time **should be avoided** and each party may indicate requirement to speak/submit by asking for permission from Hon'ble Bench, **by raising a hand**. Once permitted by the Hon'ble Bench, the party may first **'unmute'** the MIC and thereafter make submissions, as per clause 8 above;

6. During hearing through video-conferencing, the Advocates/Parties-in-person may kindly keep in mind that they are participating in **COURT PROCEEDINGS**, and hence it is expected that they would not resort to any indecorous conduct or comment; The Advocates/Parties-in-person are requested to be in formal dress code.

7. Advocates/Parties-in-person are required to ensure that the proceedings by video-conference are neither recorded/stored nor broadcast, in any manner whatsoever, as **recordings/copying/storing and/or broadcasting, by any means**, of the hearings and proceedings before the High Court for the State of Telangana are **expressly prohibited**;

8. Advocates/Parties-in-person are required to **stay online till Hon'ble Bench concludes** the hearing of their matter, thereafter the Advocates/Parties-in-person may disconnect from video-conference;

9. Upon publication of the cause-list, the **Registry may call any party and require to test the device or its connectivity**, and every such party is required to cooperate with such staff/official and abide by the instructions given, so that hearing by video-conference may be smoothly conducted;

10. In case of any technical issues, the Advocates/Parties-in-person may contact the Helpline Number 14637.

NOTE: FOR SMOOTH FUNCTIONING OF VIRTUAL COURT SYSTEM

Audio echoing/ resound/ noise is being experienced at the computer/laptop at Judges' end, during Court proceedings by Video

Conferencing. To avoid echo / noise during Video Conferencing, learned Advocates are requested to ensure the following:

1. When the advocates login into Video Conference, they shall initially 'Mute' their Microphone/mike symbol appearing on their computers/laptops. Upon muting the mike symbol, the colour on the Mike symbol would change to RED.
2. Thereafter, the advocates shall Un-Mute their Mike symbol ***only when their matter is being called.***
3. Advocates using Headphones with attached Mike system should ensure that their Headphone cable is properly plugged into their computer / laptop audio output device to avoid audio leakage from the Computer audio system due to improper plugging in / connection. This will help the voice transfer through only one channel and would avoid echo.
4. The advocates shall also ensure that there are no electronic gadgets / noise emanating gadgets or instruments near them during the Video Conference so as to avoid noise and audio interference from other sources.
5. Further, the advocate arguing the matter should ensure that their video camera is properly positioned and the camera is switched ON just before their case is being taken up, to avoid confusion at the judges' end with respect to the advocate representing the matter.
6. Advocates can find more instructions on audio / video clarity and troubleshooting on CISCO WEBEX Website (<https://help.webex.com>).

All the Advocates are requested to cooperate with the High Court for smooth functioning of the Virtual Courts.
