No of emails sent to Parties Advocates and Police Station	4,38,20,120

## Inauguration of NSTEP & e-Services at Madras High Court

The Chairman e-Committee inaugurated the National Service and Tracking of Electronic Processes (NSTEP), e-Service Center at Yercaud, biometric attendance functionality for District courts, 3D e-way-finder at the Madras High Court on 17 September 2020 . The inaugural event was also attended by Shri Justice Amreshwar Pratap Sahi, Chief Justice, Madras High Court and the Chairman of

Madras High Court Computer Committee and Shri Justice T.S.Sivagnanam, Judge, High Court of Madras.The members of the Madras High Court Computer Committee, Smt. Justice Pushpa Sathyanarayana, Shri.Justice M.Sundar, Shri.Justice. A.D.Jagadish Chandra and Shri.Justice C.Saravanan were also present.**NSTEP for District Judiciary:**

NSTEP was rolled out for the District Judiciary by the Madras High Court. It is a mechanism consisting of a centralized process service tracking application and a mobile application for bailiffs/process servers. The application provides tracking of location through GPS, a unique QR Code, facility of recording digital signatures and requirement of uploading photos of the person on whom summons are served. The Madras High Court has procured 2906 Smartphones through GeM portal for the bailiffs currently employed by the State.

**E-Court Services through the TneGA-e-Service Centre:**

e-Service centres of the Tamil Nadu e-Governance Agency (TneGA) will provide e-Courts services like information relating to case status, cause list, court orders/judgments, e-filing, e-payment and assistance through video conferencing.

**E-Service Centre at Yercaud, Salem District:**

On a pilot basis, the E-Service Centre has been inaugurated at Yercaud Taluk in Salem District of Tamil Nadu by establishing a portacabin. More such centres are expected to be launched for the entire State of Tamil Nadu in the near future.

**Biometric Attendance in District Judiciary:**

The Registry has procured 407 Biometric Machines for the District Judiciary.

**3D E-Way Finder :**

E-way Finder provides shortest route directions for locating court halls, judicial and administrative section, information center, restrooms and amenities like lift and drinking water.

## Rajasthan High Court Enters Delay Reasons for 4,09,317 Cases:

E-Committee, Supreme Court of India had rolled out a significant initiative of capturing delay reasons in CIS 3.2 to increase transparency, accountability and identify strategies to deal with delays occurring in case management. The Rajasthan High court took up the

task of entering delay reasons as a special drive on 2 September 2020 during COVID-19 with limited staff strength and has updated delay reasons in 4,09,317 cases within a short span of 23 days, which is about 40% of total cases where delay has been recorded.

Sr. no	Delay Reasons	Civil	Criminal	Both
1	Securing Presence	38871	399120	437991
2	Unattended	61210	62849	124059
3	Stayed	31700	32528	64228
4	Awaiting Record	29150	15941	45091
5	Frequent Applications	11829	4616	16445
6	Execution	13753	0	13753
7	Bulky Case	35	5047	5082
<b>Total:</b>				<b>706649</b>

## Amendment of Rules to Facilitate

## Electronic Service of Summons and e-Payment

Electronic service of summons through NSTEP, and electronic payment of court fees and fines have been made functional in all the courts across Rajasthan. The Rules of Business for District Courts in Rajasthan were amended recently vide The General Rules (Civil &

Criminal) (Amendment Rules), 2020 and have been notified on 18 September 2020.

## e-Initiatives of Patna High Court for District Judiciary

### Studio-based Virtual Courtroom for Advocates at - Bhabua in Kaimur District

Studio-based Virtual Court Room has been inaugurated at Kaimur District in Bhabua for advocates who do not have smartphones.

## E-Filing Centre and Display Boards at Nawada District

An e-Filing Centre has been set-up at Nawada, where all types of complaints, suits, petitions and applications can be filed through e-filing. Cases can be registered through Judicial Service Centre.

Accused in custody can be produced through Video Conferencing System. Display Board has been installed outside the courtrooms.

## Upgraded Surety Search Module Rolled Out by High Court of Punjab & Haryana:

Surety search by both CNR No. and FIR rolled out by the High court of Punjab and Haryana by upgrading their surety module under the periphery software at two pilot sites,

Ambala and Sirsa. In more than one case, one person can stand surety, subject to his net worth in different cases being provided under the module.

## Control Center for Advocates to Attend Virtual Courts

### Established by the High Court of Telangana:

Additional Control Rooms have been established in the Court Hall Nos. 21 and 22 at the High Court of Telangana for the convenience of Advocates/ Parties-in-Person who do not have internet connectivity or the tools to connect to virtual courts. Advocates/ Parties-in-Person can attend the virtual courts from these Control Rooms, which have all the required facilities and equipment for attending the virtual court.

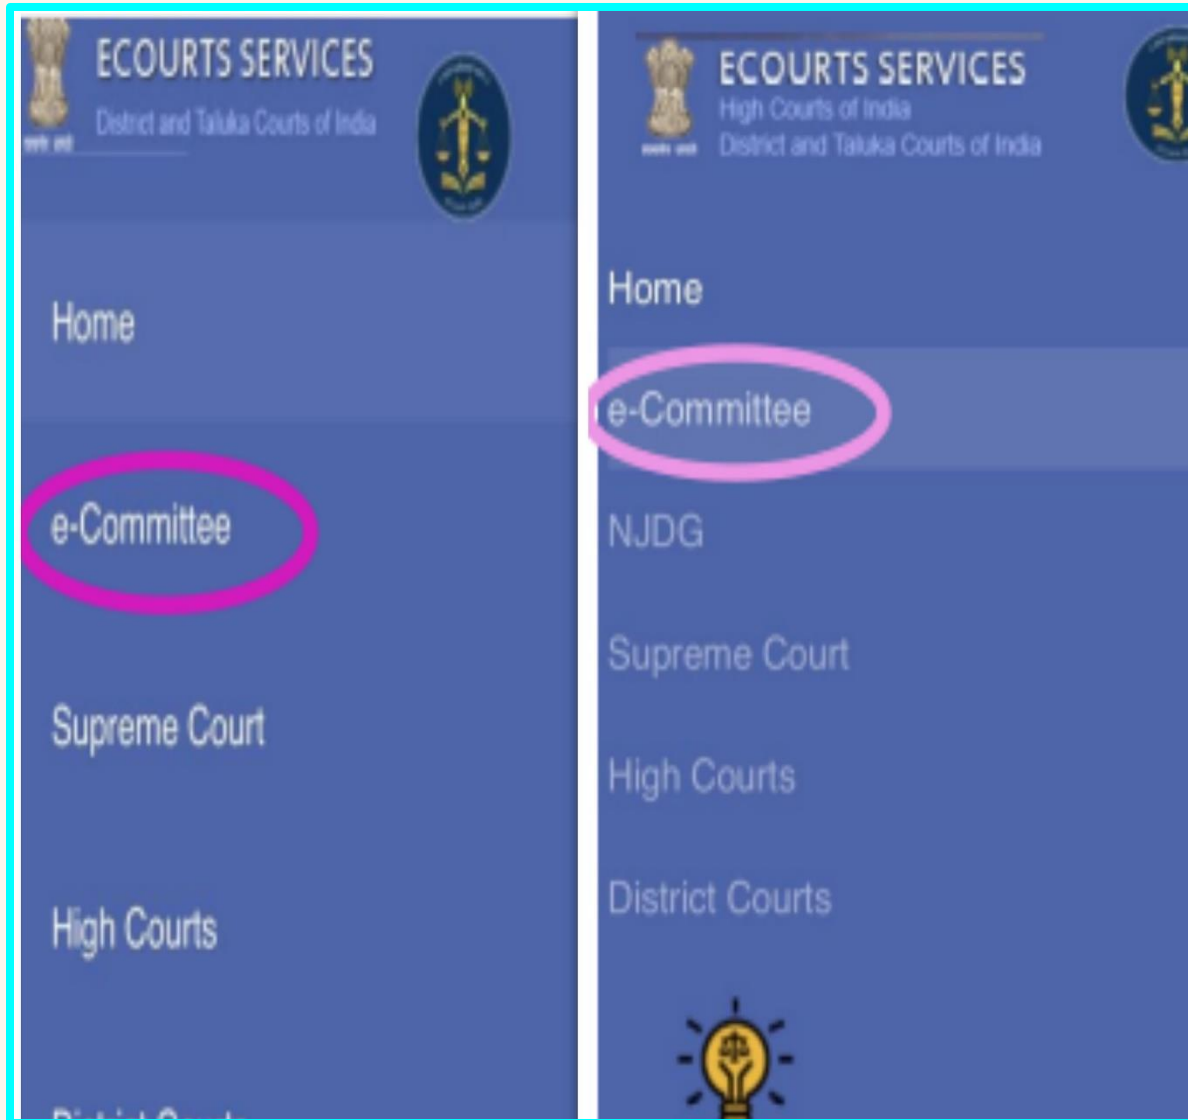

## Functioning of Hybrid Courts at the High Court of Telangana on a Trial Basis:

Keeping in view the lifting of the lockdown , the High Court for the State of Telangana has rolled out conduct Hybrid Courts partially on a trial basis from 07 September 2020 to 11 September 2020. Fresh admission matters were taken up in the forenoon session in virtual mode while final hearings and other matters were taken up physically in the afternoon session accepting both online filing and physical filing. Standard Operating Procedure was issued on 4 September -2020 for physical courts on a trial basis.
