## High Court Of Patna Commences Live Streaming of Court Proceedings

After Gujarat, Karnataka, Madhya Pradesh and Orissa High Courts, now Patna High Court has become the fifth High Court in the country to commence live streaming of court proceedings on Youtube. Under the mentorship of the Chief Justice of High Court of Patna- Sri Sanjay Karol, who is also the Chairman of the High Court Computer Committee, Live Streaming of Court Proceedings of Court No. 15, presided over by Mr.

Justice Chakradhari Sharan Singh and Mr. Justice Madhuresh Prasad, started and streamed on the YouTube channel of Patna High Court. Click the link to watch the Live streaming ([https://youtu.be/8Sy\\_BEf6Wak](https://youtu.be/8Sy_BEf6Wak)) from 10.12.2021. The decision to Livestream the Court Proceedings has been taken to facilitate the transparency and access to Court proceedings to all in light of the decision of Apex Court in Swapnil Tripathi Case. Patna

High Court has successfully achieved this special feat without spending any extra money for Hardware and utilizing available in-house resources like

Codec Cameras, Mikes and Sound mixers etc with help of technical team.

### **District Information, Report & Communication Tracker” (DIRECT) launched by High Court of Patna**

Earlier in the day, the Chief Justice of Patna High Court also launched the “District Information, Report & Communication Tracker” (DIRECT), which was conceptualized and developed in-house by the Technical Team of Patna High Court. This interactive and user-friendly software

will prove another milestone in achieving the goals of paperless, transparent and efficient administration of justice. It will be very helpful as all the relevant data/report of Judgeships as well as that of individual Judicial Officers will be available in electronic form.

### **Online presentation on NJDG & eCourts Project at High Court of Patna**

On 01.12.2021, live demonstration on National Judicial Data Grid (NJDG Website) was conducted for Patna High Court by Shri Ashish J. Shiradhonkar, Senior Technical Director NIC, Pune. The Chief Justice - along with all the Judges of Patna High Court, members of District Judiciary participated in the session. The salient features and functionalities of NJDG

were demonstrated for ensuring effective and efficient Court management. It was followed by a presentation on e-Courts Project by Ms. R. Arulmozhiselvi, Member Human Resources, eCommittee Supreme Court of India. The online programme was attended by more than 1350 participants.

## Inauguration of Digitization Wing at the Madurai Bench of the Madras High Court

A Digitization Wing at the Madurai Bench of the Madras High Court was inaugurated by the Mr. Justice V.Ramasubramanian, Judge, Supreme Court of India and the Mr. Justice M.M.Sundresh, Judge, Supreme Court of India, in the august presence of the Mr. Justice Munishwar Nath Bhandari, the Acting Chief Justice and Mrs. Justice Pushpa Sathyanarayana, the Administrative Judge of the Madurai Bench of the Madras High Court, and other companion Judges of the Madras High Court, on 04.12.2021. The Digitization Wing is in the process of digitizing approximately 1.50 crore

pages of legacy case records / administrative files at the rate of 62,500 pages per day in 240 days from 24.11.2021. The process of weeding out of undesired part of the case records was commenced at the Madurai Bench in 2018 and as on date 1,29,752 case records consisting of 28,50,431 pages approximately have been made ready for digitization. Digitization of fresh and pending case records on the criminal side (bail / anticipatory bail) besides administrative files has been commenced with effect from 20.12.2021.

## Online Computer Based Skill Test Module developed by High Court of Madras

The Madras High Court, for conducted the Computer Based Test (CBT) i.e., online Skill Test for the post of 'Assistant Programmer' governed by the Madras High Court Technical Manpower (Appointment & Conditions of Service) Rules, 2017 using the software module developed by the In-house Software Team of Madras High Court in coordination with the Recruitment wing of Madras High Court.

The method of Online Skill Test conducted is detailed hereunder:

- The Online Skill test Examination was conducted for 419 candidates out of 486 selected candidates in three

different sessions of 90 minutes each.

- Questions were segregated into two heads namely 8 questions on SQL and 8 Questions on PHP/Java.
- Completed examination papers were printed with barcodes for reference.
- The In-House Technical Team of Madras High court and the Senior Technical Directors of NIC, High Court along with State Informatics Officer (SIO) of NIC, Chennai have rendered their technical support for the successful execution of this online examination process for the Recruitment Cell of Madras High Court.

## Madhya Pradesh High Court Rolls out Gio Fencing based-NISARG, Smart Monitoring App

Shri Justice Ravi Malimath, Chief Justice High Court of Madhya Pradesh, in presence of Shri Justice Rohit Arya, the Administrative Judge, Bench Gwalior, along with the Judges of all the three Benches, has e-inaugurated NISARG, Smart Monitoring App, to ensure the monitoring of the orders passed by the High Court of Madhya Pradesh, pertaining to the social responsibilities i.e. plantation, serving in hospitals as volunteers and water conservation through the

Mobile App. This App has been developed by the Madhya Pradesh High Court Computer team under the supervision and guidance of Shri Justice Sheel Nagu and Shri Justice Anand Mohan Pathak. This App will ensure through Gio Fencing Technique that while uploading the photo of the plantation by the petitioner, its latitude and longitude are marked, which further will enable them to send the development report of the plants planted on same place.

## E-Sewa Kendra inaugurated at Gwalior Bench of High Court of Madhya Pradesh

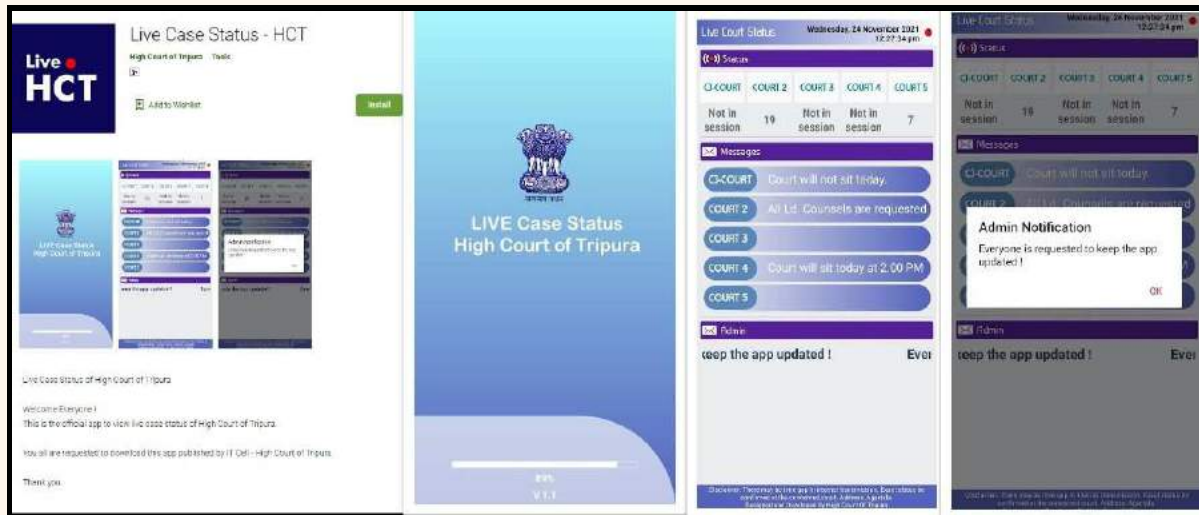

On 03.12.2021, Shri Justice Ravi Malimath, the Chief Justice of High Court of Madhya Pradesh has inaugurated the e- Sewa Kendra at Gwalior Bench of High Court of Madhya Pradesh, in the august presence of Shri Justice Rohit Arya, Chairman, e-Committee, High Court of M.P., companion Judges and Shri M.P.S. Raghuvanshi, President, High Court Bar Association, Gwalior. E-Sewa Kendra is the initiative of the e-Committee, Supreme Court of India which are established in the High Courts and in District Courts of every State. It enables litigants to obtain information with respect to case

status, obtain copies of judgments and orders and extends assistance in e-filing of cases and other e-Court Services. e-Sewa Kendra is a significant step in curbing the digital divide for the common man. The e-Sewa Kendra inaugurated today will facilitate litigants and lawyers in respect of their cases. Ten services such as Information related to Case Status, Next Date of Hearing, Obtaining of Certified Copies, e-filing, e-payment, e-court fees, court mobile application, e-mulakat – prison appointment, and free legal services shall be made available to the litigants.

## High Court of Tripura rolls down “Live Case Status-HCT” Mobile Application

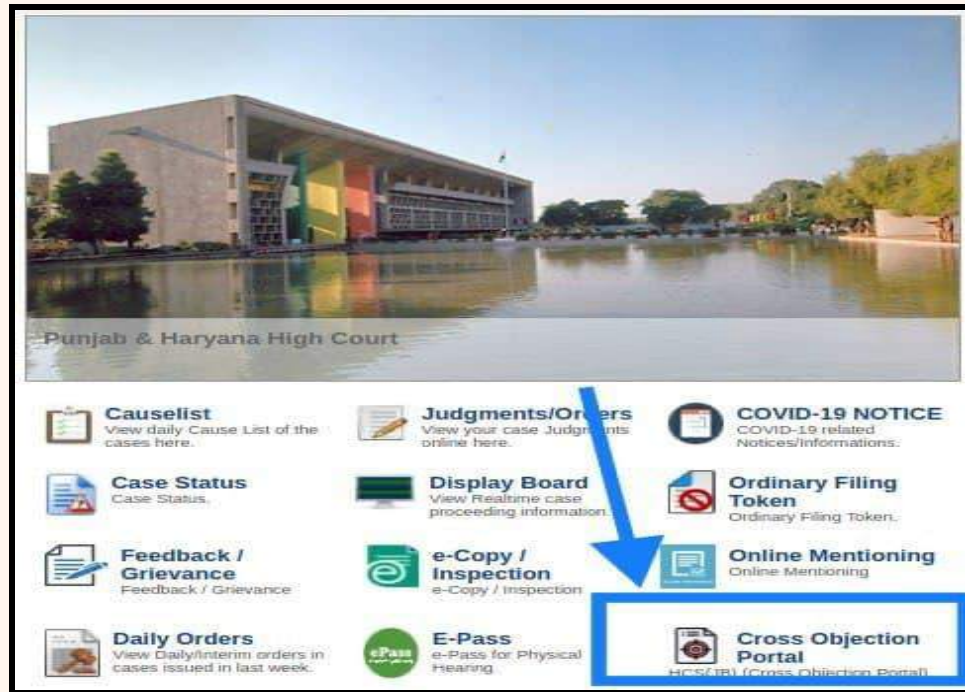

“Live Case Status-HCT”, the Android Mobile Application developed by the Software Development Team of the High Court of Tripura has been made available in Google Play Store in the following link <https://play.google.com/store/apps/details?id=displayboard.thc.com.thcdisplayboard> w.e.f. 1st December 2021.

The availability of this Mobile App in the Google Play Store will be of much use to Bar Members as it will help them to keep track of the cases that are being heard by the High Court

when the Bar Members are appearing before some other forum.

The Mobile App can also be searched and downloaded by the users for installation in their Smartphone with the name ‘Live Case Status- HCT’ from Google Play Store. The link of the High Court Display Board in the “Digital Display Tab” in the official website of the High Court (<https://thc.nic.in/>) is now accessible from the network of any private ISP (Internet Service Provider) in addition to the Court-NIC Network.

## High Court of Punjab & Haryana Rolls down Online Portal for Receiving Cross Objections for the Examination

An online portal has been created for receiving cross-objections in the examination conducted by the High Court of Punjab & Haryana. This portal has helped in receiving the cross-objections online by the candidates. All the cross-objections were tabulated and scrutinized with a click of a button by this software. The candidates who were earlier

sending their objections and cross-objections through mail or in physical form can now send the same through this online portal from the convenience of their residence. The creation of an objection portal and cross-objection portal has resulted in huge savings of time and has facilitated the declaration of the result in a time-bound manner.

## Online presentation on National Judicial Data Grid held at High Court of Judicature at Allahabad and its Lucknow Bench

As per the vision of Dr Justice D. Y. Chandrachud, Chairman, eCommittee, Supreme Court of India, the eCommittee has reached out to all the High Court Judges on NJDG as a case management tool. For the awareness of High Court Judges, the online presentation session over NJDG was organized on 06.12.2021 by the eCommittee, Supreme Court of India. The Chief Justice and all the Judges, the High Court of Judicature at Allahabad and its Bench at Lucknow

graced the virtual session with their presence. In online sessions, the eCommittee, Supreme Court of India had presented various Court & Case management tools available on NJDG. It also includes reasons for the delay and drill-down reports of the Subordinate Courts of Uttar Pradesh. The online session emphasized the use of NJDG as a monitoring tool for the Administrative Judges of subordinate Courts of Uttar Pradesh.

## High Court of Rajasthan Rolls out Computer Programme for Paperless Online Quarterly Statement

S.N.	Case No.	Party Details	Disposal Date	Disposal Type	Status	Credit Claimed	Check All
1	SUCESSION CERTIFICATE CASES/ 14/ 2016	LEELA OTHS 3 AAM JAN OTHS 1	07/11/2019	Dismissed otherwise	Credit to be claimed		<input type="checkbox"/>
2	Family Main Case/ 71/ 2019	KAVITA REEL DAVECU DECI	07/11/2019	Decreed after Full Trial	Credit to be claimed		<input type="checkbox"/>

A Computer Program for accounting, analyzing and monitoring of judicial work done by the judicial officers and to accomplish the task in a scientific and analytical manner, a Computer program has been indigenously developed by the Technical Team of Rajasthan High Court which is linked with CIS of every Court. The moment a case is disposed of in CIS, it is reflected in the program and the credit admissible for such disposed case is entered therein.

The quarterly statement prepared through this programme will be transmitted online to the concerned

District Judge and from the District Judge to the High Court. At no level, the physical record will be maintained and everything will be transmitted online. This computer program will not only ease and fasten the entire process for the judicial officers but will also provide different kinds of analytical reports that will be useful for monitoring and framing policy. This program has been started in two courts-Sirohi and Tonk on a pilot basis in the month of December 2021. After successful testing, it will be launched for the entire State.

## **Rajasthan High Court notification for mandatory e-filing for Government cases from 01.01.2022**

For mandatory e-filing for selected case types from 01.01.2022 as suggested by Dr. Justice D.Y. Chandrachud, Judge, Supreme Court of India and Chairperson, E-Committee, Supreme Court of India, Notification has been issued on 20.12.2021 by the High Court of Rajasthan and e-filing has been made mandatory in cases filed by the Central and the State Government in Rajasthan High Court. Detailed guidelines have also been issued to streamline the entire process of mandatory e-filing in the above cases.

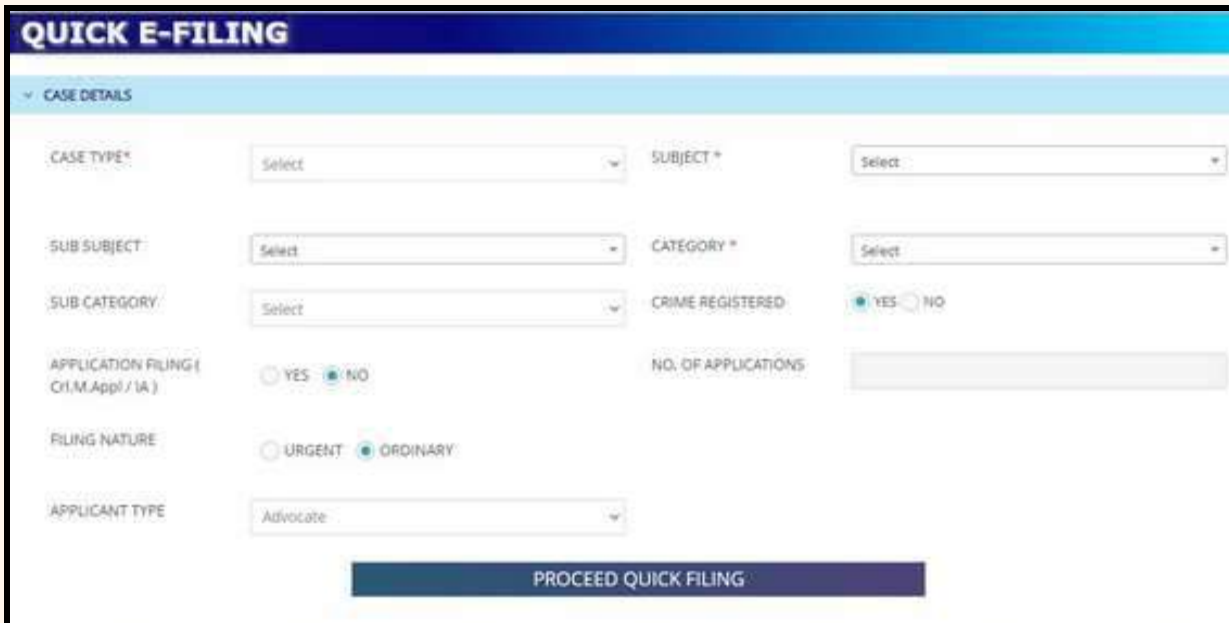

On the request of the Rajasthan High Court, E-Committee has also provided a separate mechanism for the creation of e-filing user accounts for Government Advocates. By using this mechanism, e-filing user accounts have been created for Advocate General, Additional Advocate Generals and other Government Advocates/Counsels. Thus, all preparations have been made and the entire process has been set to successfully implement mandatory e-filing in Rajasthan High Court.

### **e-filing Centers for Advocates & Litigants set up by Rajasthan High Court**

Rajasthan High Court has set up e-filing centers both at its Principal Seat Jodhpur and Bench at Jaipur so that under one roof, the process of e-filing can be done by Advocates and Litigants. At these centers, not only scanning facility is made available but the advocates/ litigants either themselves can do the e-filing or they

may get it done from the trained persons deputed at these centers. All these facilities have been made available to Advocates and Litigants on a very nominal charge of only 50 paisa per page. For these services, the firm, already engaged in digitization work at Rajasthan High Court has been deputed.

## QUICK e-filing mode added at High Court of Kerala

The screenshot displays the 'QUICK E-FILING' interface. At the top, there is a blue header with the text 'QUICK E-FILING'. Below the header, a light blue bar contains a dropdown menu labeled 'CASE DETAILS'. The main form area contains several fields:

- CASE TYPE\***: A dropdown menu with 'Select' as the current value.
- SUBJECT\***: A dropdown menu with 'Select' as the current value.
- SUB SUBJECT**: A dropdown menu with 'Select' as the current value.
- CATEGORY\***: A dropdown menu with 'Select' as the current value.
- SUB CATEGORY**: A dropdown menu with 'Select' as the current value.
- CRIME REGISTERED**: Radio buttons for 'YES' (selected) and 'NO'.
- APPLICATION FILING ( Cr.M.Appl / IA )**: Radio buttons for 'YES' and 'NO' (selected).
- FILING NATURE**: Radio buttons for 'URGENT' and 'ORDINARY' (selected).
- APPLICANT TYPE**: A dropdown menu with 'Advocate' as the current value.
- NO. OF APPLICATIONS**: A text input field.

At the bottom center of the form, there is a dark blue button labeled 'PROCEED QUICK FILING'.

In order to reduce the time taken for e filing, the IT Directorate has implemented Quick e-filing Mode in addition to the existing e-filing module reducing the number of steps to four. It will enable the entry of all metadata in the first stage, uploading of all case file documents in the second stage, E-payment in the third stage and OTP Authentication in the fourth stage.

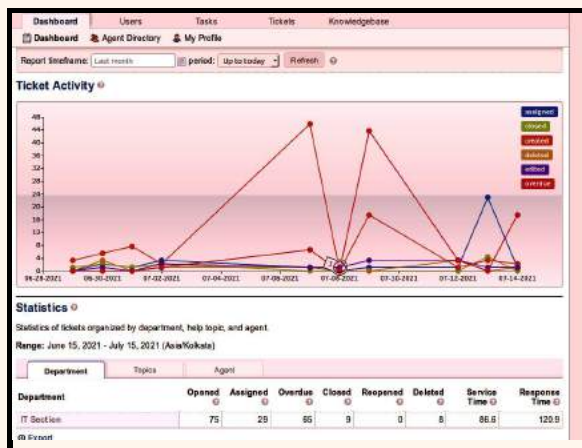

### Ticketing and Task Management System

The new CMS, which was rolled out in the month of May 2021, has been running effectively in the High Court of Kerala. As with any organization intensive system, CMS also has its fair share of challenges and issues raised by the section users. Issues are presently being raised by end-users through phone calls, direct walk-up to the IT section, emails, or

in whatsapp groups. This requires the programmers to deviate their valuable time to attending countless phone calls and searching different whatsapp groups for any new issues, instead of devoting their time to programming.

To approach the issue of redressal in a systematic and orderly manner. The Kerala High Court have rolled out a ticket management system which is a robust software used to register, organize, prioritize, and resolve support tickets. These tickets can be issues or requests raised by various users. The online ticket management system works by creating a unique

ticket for issues or request raised bill various users. The ticket can be tracked from the start still it is resolved. 'osTicket', a widely-used open source support ticket system is used to seamlessly integrates inquiries created via email, phone and web-based forms into a simple easy-to-use multi-user web interface. It can effectively manage, organize and archive all support requests and responses in one place while providing users with the accountability and responsiveness they deserve.

The screenshot shows the 'Tickets' page in osTicket. It displays a list of 33 tickets, with the first 25 shown. The table includes columns for Ticket #, Create Date, Status, Subject, and Department. The tickets listed are all in 'Open' status and belong to the 'IT Section'.
